STUDENT DRIVER POLICY

GUIDING SCRIPTURE

Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves, not looking to your own interests but each of you to the interests of the others. Philippians 2: 3-4

PURPOSE

It is recognised that many senior students may wish / choose to drive to and from school in their own vehicles. At times, student drivers may need to transport siblings to and from school.

The procedures outlined in this policy have been implemented as part of our duty of care and commitment to the safety and wellbeing of students at St John's Lutheran School. The policy aims to assist students to conduct safe travel to and from campus and ensure that they understand their responsibility as student drivers and passengers.

SCOPE

This policy applies to any student at St John's Lutheran School who intend to drive unsupervised to the school campus or who is a passenger in a vehicle being driven by a student who is unsupervised.

Parents / guardians are expected to fully support and uphold the *Student Driver Policy* as part of the annual commitment they sign to comply with the school's policies. This includes the completion of any applicable forms. Parents/ guardians are encouraged to ensure that their child is conducting safe travel and driving practices to and from the campus.

POLICY STATEMENT

St John's Lutheran School acknowledges that some parents will allow their students to drive unsupervised to school. The school is committed to our duty of care for the safety and wellbeing of all students, including student drivers and passengers travelling with student drivers. St John's Lutheran School encourages safety on the roads and promotes safe and responsible driving and parking practices. Parents/ guardians have a joint responsibility and duty of care between St John's Lutheran School and the parent/ guardian for the safe transport of students to and from school.

Any student that holds a valid Queensland Driver Licence who intends to drive to school, either on a regular basis or on occasion, must comply with the school *Student Driver Policy*, is required to complete all permission or agreement forms and be approved by the Principal prior to commencing driving to school.

As part of our duty of care, the school requires all passengers in a vehicle being driven by an unsupervised student driver to comply with the school *Student Driver Policy*, complete all permission or agreement forms and be approved by the Principal prior to being such a passenger. The school supports and will only approve siblings as passengers in vehicles being driven by students to and from school.
